Mother Earth Water Walk

Welcome

An Anishinaabe prophesied that "In about 30 years, if we humans continue with our negligence, an ounce of drinking water will cost the same as an ounce of gold."

Water is essential to survival and health.

Everything is related to water. This is proportionate to Mother Earth. Our food sources use water to be nutritious. The medicine wheel teachings are about balance in life.

Mother Earth Water Walk

About Us

A group of Anishinaabe-kwewag and supports have taken action regarding the water issue. With a bucket of water they walked around Lake Superior in Spring 2003, and plan to walk around the remaining great lakes of North America. This walk is to raise awareness how, we, the human beings on this planet need to know, and take care of our precious resource, the water.

Mission Statement

Our mission is to raise awareness about our water. "Water is precious and sacred... it is one of the basic elements needed for all life to exist."

Mother Earth Water Walk

Simple Facts

- **Good drinking water is free from disease-causing organisms, harmful chemical substances, and radioactive matter. It tastes good and looks good.**
- **Less than 1 % of the world's freshwater on Earth is readily available for human world consumption.**
- **90 % of persistent organic pollutants come from the atmosphere.**
- **70 % of the world's surface is covered by water, only 2.5 % is freshwater and of that over 1 % is frozen ice.**

Mother Earth Water Walk

Suggestions / Recommendations **The future in our hands!**

- Keep your community clean.
- Recycle and do not litter!
- When washing dishes by hand, do not let the water run while rinsing.
- Only run your washing machine and dishwasher when they are full.

Mother Earth Water Walk

Lake Superior 2003

First Annual Women's Water Walk took place in the Spring of 2003.

The Women walked around the Lake Superior Basin.

The Annual Women's Water Walk was chosen for Spring because for the natural re-growth of our natural habitat, as it is a in time for renewal, re-growth, and re-birth.

- April 18, 2003 - May 26, 2003
